

New Additions to our Inventory!

Numismagram Newsletter #1 (II/2018)

Starting 1 February, we are happy to announce regular uploads to our site at the beginning of each month! Please visit our inventory for many new additions in the area of medallic art, along with a new categorization panel (*which should help with navigation*) based upon countries and various collecting themes.

Also, we will be in attendance at the Long Beach Expo later this month, from 22-24 February, at the Long Beach Convention Center. Look for us with our friends at the World Numismatics table (#922)!

You are receiving this message because you have expressed an interest in our material or have purchased from us in the past. If you wish to no longer receive these updates via email, simply reply that you would like to be removed and we will do so.
